Prescription drug benefit highlights

Covered medications

- Find commonly prescribed brand-name and specialty drugs that Medicare Part D allows us to cover.
- Choose from a wide range of generic drugs to save even more money — and without sacrificing effectiveness.

Network pharmacies

- Access to a vast network of pharmacies.
- Most national chains and many local pharmacies are in our network.

Get your medications through the mail

Save time by not waiting in line at the pharmacy and enjoy the convenience of having your maintenance medications delivered straight to you. With mail order pharmacies in your network, such as CarelonRx Pharmacy[1], you can receive up to 90 days of supplies and maybe even save money compared to filling your prescription at a regular pharmacy. You can explore home delivery for your prescriptions and set it up anytime through your account online or on the **Sydney® Health** app. [2, 3]

Generics have the same active ingredients and effects as brand-name drugs, generally without the higher cost share.

1 CarelonRx Pharmacy is a separate company that provides mail order pharmacy services in your health plan's pharmacy network. You can choose any pharmacy in our network.

2 Sydney Health is offered through an arrangement with Carelon Digital Platforms, a separate company offering mobile application services on behalf of your health plan.

3 Online tools are offered to Anthem plan members as extra services. They are not part of the contract and can change or stop.

What is Medicare?

Medicare is a federal government health insurance program for people 65 or older. You may also be eligible if you:

- Are under age 65 with certain disabilities
- Have end-stage renal disease (ESRD)
- Have amyotrophic lateral sclerosis (ALS), also called Lou Gehrig's disease

More information is available at medicare.gov, or you can call **1-800-MEDICARE** (**1-800-633-4227**), 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Medicare is available as follows:

Original Medicare

- Part A provides coverage for hospital benefits.
- Part B provides medical benefits.

Medicare Part D

- Coverage for prescription drugs.
- Offers supplemental benefits and a first-class member service experience.

Original Medicare = government program		Offered by private insurance companies	
Medicare Part A	Medicare Part B	Medicare Part C	Medicare Part D
Medicare Part D = PDP plan			

Medicare Part D

The prescription drug plan described in this guide is also known as a Medicare Part D plan. All of our covered drugs appear on a drug list called the Part D formulary.

If you take a drug that is not covered, you have three options:

- Ask your doctor to switch you to a covered drug
- Request an exception
- Obtain a temporary supply while discussing other drug options with your prescriber[1]

Covered drugs are divided into levels or tiers. Drugs on the lowest-numbered tier generally cost less, while drugs on the highest-numbered tier generally cost the most. Each tier contains drugs that we cover based on their safety and effectiveness. This chart provides an overview of how the tiers and pricing generally work.

Drug type	Description	Possible tier coverage	Cost
Generic[2, 3]	Same active ingredients and effects as the brand-name drug, but usually costs less	Tier 1	$
Preferred drug	Safe and effective lower cost drug	Tier 2	$$
Non-preferred drug	Generally have more cost-effective alternatives on lower tiers	Tier 3	$$$
Specialty	Cost $1,080 or more for a 30-day supply. May require special handling.	Highest tier	$$$$

The tier level for each drug type may vary depending on the number of tiers on your formulary.

1 Not all drugs are eligible for a temporary supply.

2 High-cost generic medications may also appear on the same tiers as brand-name medications. Please consult the formulary for specific tier details.

3 Some drug lists divide generic drugs into two tiers. Please consult the formulary for specific tier details.

How to qualify and enroll

Qualifications for enrolling in Blue MedicareRx (PDP):

- You are a United States citizen or national, or an eligible noncitizen.
- You live in the plan's geographic service area. People who are incarcerated aren't considered to be in the geographic service area even if they're physically located in it.
- You are now entitled to Medicare Part A or Part B, or both.
- You keep paying your Medicare Part B premiums, unless they are paid by Medicaid or through another third party.
- You qualify for coverage under your or your spouse's group-sponsored health plan.

To enroll, please complete the enrollment election form on the next page. The scissors icon and dotted line show where to cut. Don't forget to include your signature and mail to the address listed on the form.

To complete the form, you'll need:

- **Your Medicare number.** Fill out the requested information as it appears on your red, white, and blue Medicare card. If required, also attach a copy of your Medicare card, or your letter from the Social Security Administration, or the Railroad Retirement Board and send it along with your completed enrollment election form.
- **Your permanent address and phone number.**
- **To complete all items on the enrollment election form.** Double check that you've filled out the form entirely and included your signature.

Understanding the Medicare Prescription Payment Plan:

This is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for Part D covered drugs by spreading them across the calendar year (January–December). It does not apply to Part B drugs. It also does not apply to Extra Covered Drugs if your plan includes this benefit. Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.

"Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option. To learn more about this option, call us at 1-833-246-7717 (TTY users call 711) or visit **www.medicare.gov**.

Read the information that your Medicare Advantage plan sends you, and if you have questions, contact your Medicare Advantage plan.

If you currently have health coverage from a group sponsor, joining Blue MedicareRx (PDP) could affect your group sponsor health benefits. You could lose your group-sponsored health coverage if you join Blue MedicareRx (PDP). Please read the communications your group sponsor sends you. If you have questions, visit their website or contact the office listed in their communications. You can fill your vaccines at a network pharmacy or they can be administered at a physician's office. However, the physician will only submit a claim for a Part B vaccine. For 2027, Anthem Blue Cross and Blue Shield - S5596 received the following Star Ratings from Medicare:

Overall Star Rating:	N/A
Health Services Rating:	N/A
Drug Services Rating:	★★★☆☆

Every year, Medicare evaluates plans based on a 5-star rating system.

As a Medicare beneficiary, you can choose between:

- The Original (Fee-for-Service) Medicare plan.
- A Medicare health plan like the one offered in this guide.

You may have other options

The important thing to remember is that the choice is yours, keeping in mind that you may be able to join or leave a plan only at certain times. Please note that if you do not take your retiree benefits, it may affect other retiree benefits your group sponsor offers. No matter what you decide, you may still be eligible for the Original Medicare program.

Geographic service areas covered by this plan

This plan offers coverage in our Centers for Medicare & Medicaid Services (CMS) defined geographic service area of all 50 states, Washington, D.C., and all United States territories.

Your Medicare protection

The plan must offer Medicare benefits to you for a full calendar year at a time, although benefits and cost sharing may change from year to year. The plan provider can decide each year whether to keep offering Medicare Advantage or prescription drug plans, or whether or not to continue offering plans in specific geographic areas like yours.

Also, Medicare may decide to end our contract.

If for some reason this plan is discontinued, we will send you a letter at least 90 days before your coverage ends explaining your options for Medicare coverage in your area.

For more information on the options and rights you have as a member with this plan, please contact our First Impressions Welcome team and ask for a copy of the Evidence of Coverage (EOC).

You may be able to find help to pay for your prescription drugs and other Medicare costs. If you qualify for Medicare's Extra Help and are enrolled in a Part D plan like this one, Medicare can pay up to 100% of your prescribed drugs. This can help offset your drug plan's monthly premium, plus coinsurance and copays for covered prescription drugs.

Extra Help can also close any drug coverage gaps and stop late enrollment penalties (LEPs). For more information, visit **www.medicare.gov** or **www.ssa.gov**, or call:
