Cost of Living in Cities Across the U.S. (Calculators)

Bankrate.com has a nice cost-of-living calculator that compares the cost of living between two cities in the United States on their website at: <https://www.bankrate.com/calculators/savings/moving-cost-of-living-calculator.aspx>.

Also, CNN Money has one

at: <https://money.cnn.com/calculator/pf/cost-of-living/>.

And, Salary.com has one

RMD Calculator—The IRS requires that you withdraw at least a minimum amount (known as a Required Minimum Distribution) from your retirement accounts annually; starting the year you turn 70½. To use a calculator to compute the amount you must withdraw from your retirement account(s) in order to avoid the fifty percent (50%) IRS penalty, go to: www.bankrate.com/calculators.
